Class History

On a rather hot September morning in 1961, one hundred fifteen green students tripped up the aging steps of Brookville High School eager to begin their first year in high school. Little did they know then that they would be one of the most remarkable classes to inhabit Brookville's halls.

We adjusted remarkably well to the surprise of our teachers. The death of our algebra teacher the second week of school saddened us all, but we went on. Although many of us never really got to know Mr. Burkhart, we deeply appreciate the things that he did contribute to our school. After a long succession of temporary teachers, Mr. Burke became our algebra teacher.

At our first class meeting we elected the following class officers: Tom Herkins, President; Donna Walklet, Vice-President; Connie Garner, Secretary; and Denny Fryman, Treasurer. Sue Fogle, Mike Leadbetter, and Kipp Kreitzer represented our class on the Student Council.

Football Homecoming was the next important event of the school year and we looked forward to its final arrival anxiously. So that we might be represented in the festivities, we chose Sara Bussey and Tom Herkins.

Science, algebra, French, Latin, home ec., and shop classes offered unending tasks for us. We had our fun though. Mr. Burke organized a boys' pep club, which the boys in the class heartily supported. Many boys from our class appeared to be very promising in junior high sports. Not really appreciated by the adults or upper classmen yet, the boys found they were gods in the eyes of the freshman girls.

The next important event of the year was the Christmas Dance. We proudly chose Judy Burns and John Morgan as our attendants for this dance. Christmas came and Santa was good to all of us.

We faithfully supported our class by paying one dollar dues and many of us worked hard with decorations and so forth so we could have a successful dance. We were very proud of our first dance, which was held after a Madison basketball game.

We finished our first year with flying colors. After the semester and yearly tests we looked forward to what would surely turn out to be exciting days as sophomores.

In the fall of 1962 one hundred seventeen more mature individuals once again pranced up the steps of Brookville High School. Tan from the summer sun, we sat in the hot classrooms and tried to settle down to another year of hard work. We elected Denny Fryman, President; Cindy Wetzel, Vice-President; Jane Cummins, Secretary; and Terry Strawser, Treasurer. Mike Leadbetter, Kipp Kreitzer and Donna Walklet were chosen to represent us on Student Council. Many of our boys did fine during football season, so for them and ourselves we proudly picked Cindy Wetzel and Mike Leadbetter to take part in the Football Homecoming activities.

Later in the year we chose Sherry Hillard and Mike Leadbetter to represent us at the Christmas Dance. We were proud of all our attendants that year and gazed with awe at the kings, queens and attendants of the upper classes.

This year was filled with many memories for the class of 1965. We look back happily when we think of Nancy Young's snow parties and Gladys Borel's picnics. Mr. Walton was our advisor and he led us successfully through a town-wide magazine sale and helped chaperone a very successful dance that our class held in the cafeteria. We were very proud of our class as a whole that year and pushed to the backs of our minds the thoughts of ever parting. We went to parties, basketball games, football games, track meets, and baseball games all year. The midnight movies at the James Theater have a special spot in many of our hearts. It's hard to believe that many of these things will be gone from us forever. Yet we still have our wonderful memories. Sophomores are carefree. They aren't reserved and shy like freshmen; they aren't nonchalant or haughty like juniors; they don't worry about grades and graduation like seniors. We were normal sophomores.

The steps were not very clear for many of us on our first days as juniors. Most of us were half-asleep. The excitement of the first day at school we decided to leave to the younger, immature students. Just one more year and we would control the world . . . Brookville School, at least!

Under the supervision of our advisor, Mr. James Boomershine, we elected the following officers: Mike Leadbetter, President; John Morgan, Vice-President; Sherry Hillard, Secretary; and Denny Fryman, Treasurer. Fred Lowe, Kipp Kreitzer, Donna Walklet and Herb Schaeffer became our Student Council Representatives. The Prom, Class rings, a play---they all lay before us. We got down to work.

Before we knew it, Football Homecoming time was here again. We wisely chose Rosemary Davis and Chuck Hoops to represent us. With Football Homecoming over we settled down to work on our class play. After several delays, including the very tragic death of President Kennedy, we presented our play, Arsenic and Old Lace. The play went over extremely well and we were very proud of the talents we had displayed.

Along with the snow that came for our Christmas, so did parties. We elected a refugee from Florida, Randy Combs, and attractive Sara Bussey from Kentucky as our attendants for the Christmas Dance. We also had a nice profit from our Christmas cookie sale. We decided to sponsor a dance. This dance holds school record for money made.

We finished the year with eager thoughts of being rulers when we returned in the fall. But at that moment summer jobs and swimming lay ahead for most of us.

Then, there we were. We walked up the steps realizing that this was our last first day of school. What would come after this not many of us were sure, so we were determined to live it up.

Mr. Aker, our senior advisor, was with us when we elected our officers for our senior year. Mike Leadbetter became our President; Neal Beirise our Vice-President; Sherry Hillard our Secretary; and a familiar face in the money department, Denny Fryman was elected our Treasurer. "Pickles" Fryman may still be seen trying to pry class dues from seniors.

Football Homecoming was soon here and for the first time we elected a king and queen. Rosemary Davis was our queen and Chuck Hoops our king. Sara Bussey and Tom Herkins were our wonderful attendants. Our last Homecoming has gone; but, oh, the memories we still have of it!

Before we knew it Christmas was approaching. We elected another queen, Donna Walklet and another king, Bruce Garber. Carol Leiber and Neal Beirise were our attendants. The Christmas Dance went over extremely well and the Christmas vacation that followed was appreciated greatly.

The Senior Class Play came next. I Remember Mama was one of the best plays ever presented at Brookville, and the seniors greatly appreciated all the wonderful help and directing of Miss Carlock.

Basketball Homecoming royalty were chosen from the following couples: Dale Ernst and Sue Young; Connie Garner and Mike Leadbetter; Fred Rutherford and Sara Bussey; Donna Walklet and Herb Schaeffer; Rosemary Davis and Chuck Hoops. Sara and Fred became our king and queen.

Our class also had many leaders this year. Danny Phillips and Mike Leadbetter were co-captains of a very successful football team although the success may not always show in the score. Fred Rutherford became leader of the cross country pack. Mike Leadbetter was captain of the basketball team. Denny Fryman was President of Hi-Y and Honor Society. Ruth Newman was leader of the Tri-Hi-Y. Donna Walklet was Band President and Kipp Kreitzer skillfully led our Student Council. Sara Bussey, Connie Garner, Ann Payne, Cindy Wetzel--all helped in the pep department--Sara as Pep Club President and the others as cheerleaders. Barb Eby and Carol Leiber were Drill Team Captains and Barb Aker was President of the group. Our Editor of the Blue Blazer was Jenny Root and Jean Warner presided over F. M. C. Chuck Hoops led the F. F. A., Carol Fread was President of the F. H. A. and Rosemary Warner headed the Red Cross for our senior year. Nancy Young was Brookville's Junior Miss, and we were very proud of her in the State Finals. Jane Stephens was our Miss Flame.

Our year is nearly over now and so is our life in Brookville High School. Many of us have gone to Brookville for all twelve years and for those who haven't . . . well, this ole school means an awful lot to all of us--even though many of us won't admit it outright. In a few short days the school will be turned over to you juniors. We appreciate the backing you've given us through thick and thin and if you need any help next year let any one of us know, and we'll be glad to help if we can. As for us, we have to move on. What lies ahead we do not know, but no matter what it is, we'll never forget the years at Brookville and how very much they meant to us.

JUNIOR CLASS OFFICERS. Doug Rasor, President, Phil Shue, Vice-President, Ron Shoe, Secretary, Dave Gowdown, Treasurer.

The Class of 1966

Prom year was a very exciting and busy one for the class of '66. After electing class officers, many activities followed in rapid order. Laura Nichols and Mark Beirise served as attendants for the football homecoming. Sue Hurley and Doug Rasor were the junior representatives at the Christmas Dance.

On November 27 and 28, the junior class successfully presented "Home Sweet Homicide" as their class play.

On May 15 the juniors gave the seniors a very beautiful prom night that had been long awaited.

Powder Puff Game

On November 13, 1964 the second edition of the annual Tri-Hi-Y Powder Puff rivalry between the Seniors and the Juniors and Sophomores took place on the gridiron of Brookville High School. Even though this year's seniors took a decisive 12-0 victory in '63, they still held high respect for the underclassmen. The game got underway with the seniors kicking off and the underclassmen attempting to drive down the field. The underclassmen, however, were unable to penetrate the stout defense of the seniors. The seniors' first attempt on offense was likewise of no avail. The rest of the half and most of the second half proved to be futile attempts for both sides. After a pep talk by their coach, the underclassmen started to penetrate deeper into senior territory. But the seniors' defense held them from a score. With twenty seconds left on the clock the scoreboard still registered 0-0. The last twenty seconds, however, proved to be the most exciting part of the game. The loss of the ball by the seniors on their own three yard line proved to be the disaster for the Senior cause, and a joyful 2-0 victory for the exuberant underclassmen.
